THEMES

This month we will begin our study of buildings and construction. Buildings are everywhere in our community. They vary in size, color, construction, material, function and location. We will explore concepts in social studies related to shelter, jobs and the purpose of different structures. Throughout the month we will create our own buildings using paper tubes, pipe cleaners, tape, toothpicks, marshmallows and finally wood. Look for our structures to fill the room in the upcoming weeks.

Feast

On November 21st we will be having our Thanksgiving Feast. We will be making pies; look for a sign-up sheet on our door if you would like to donate. Our time to dine will be from 11:30-12:00. Each child may invite one adult to join them. Look for a special invitation to come home soon.

Book in a Bag

On November 11th we will begin sending home a library book for your child to enjoy for the week. We feel by starting early we can encourage children to develop a true love for reading. Please bring your book back every Monday for a new book to enjoy.

Parent/Teacher Conferences

I will be holding conferences November 11th and 12th. Look for the sign-up sheet on the outside of our door soon. Each conference will be 15 minutes long. If you do not see a time that fits with your schedule, please let me know.

Upcoming Events

Wreath Delivery - TBA
Thanksgiving Feast - 11/21/19
