

# Lakeland's Little Learners Toddler News January 2021

Happy New Year! We hope that Everyone had a wonderful Holiday Season

## **Last Month**

In December we talked about colors, seasons, and the holidays. We hope that you had a chance to view our Christmas Program. The children played instruments and danced to music!

## **This Month**

In January, we will be talking about winter and how cold and wet it gets. We also will talk about some of the animals that like the colder weather! While in our classroom we will keep busy creating exciting winter art projects that will help to strengthen our fine motor skills. Moving to music and dancing will help us to improving our large motor skills by!

## **Parent Connection**

In the winter, whether you are driving, looking out the window, or playing outside, talk to your child about what is happening outside! "Is there any snow?" "What color is it?" "Is it cold or wet?" Take your child outside to play, build a snowman or fort or throw snowballs. Put snow in a bucket to play with inside, if you don't like the cold! Most important let your child experience snow and winter! Have fun and enjoy!!

## **Reminder**

Please bring in an eco friendly bag to hold all of your child's outside winter gear. Thank you in advance for labeling everything!

Ark your calendar!

January 1<sup>st</sup> LLL will be closed. Happy New Year!

Please watch for information on upcoming fundraisers.

We hope that you have a great start to 2021! Happy New Year

Ms. Shandana and Ms. Adriana
