

# Older School-Age News

Lakeland's Little Learners November 2019

## Fall is here and weather is getting colder...

The weather is getting colder and the kids will start bringing their cold weather gear. Jackets, gloves and hats are sent from home and they all need to be stored in a recyclable bag. Please have your child's name written on their bag with permanent marker. Thanks for your help in this matter.

## This month in our room....

### Holiday Season Donations

We will be baking a lot this month and we would appreciate any donations we can get. If you are interested in helping out with the cooking activities, please talk with Mr. Mike about what items are needed.

### Reading to the 4K Kids

During the month of November, the older school age class is going to work with the younger 4K students as a reading buddy. We have done this type of reading in the past and if you think your child would enjoy this type of leadership, please talk with Mr. Mike about the details.

## REMINDER

If you need care here at the center for the 27th or the 29th when the district is closed, please notify the office before November 15th.

Mr. Mike - Lead School-Age Teacher

## Great family time activities

### Trainfest

It is that time of year where the model trains come out at the Wisconsin State Fair Grounds. Go check out this family fun event on November 9th and 10th. Visit the website to purchase your tickets. [www.trainfest.com](http://www.trainfest.com)

### Playing in the leaves

Do you remember when jumping into a pile of leaves was a fun activity? It is time to relive your youth and play in a pile of leaves with your kids. It is a great way to get your kids off the couch and play outside.

## Upcoming Events

- ◆ November 3rd Daylight Savings Time Ends
- ◆ November 10th Pancake Breakfast - Saint Patrick's Church - Elkhorn
- ◆ November 15th Wreath Pickup
- ◆ November 28th LLL Closed for Thanksgiving

## Last month in our room...

Last month the kids and I enjoyed working around the center. Everyone worked hard on litter and garden cleanup. With the cold weather coming, we still have more to do but with all the helpers it should be easy work.
