Themes

Children are very interested in clothes. They talk about their clothes in the room, put them on and take them off, compare clothes and add clothing details to their drawings. Children's interest in clothing can be the foundation for learning about different kinds of clothes, a variety of fabrics, the processes involved in making and selling clothes and how clothes have changed over time.

We will begin our study by focusing on Community Helpers. We will discuss the many jobs in our community and all the different types of clothing worn for those jobs.

Snow is sure to make an appearance soon, so please make sure your child has boots, hat, snowpants, gloves and a coat for outside time. These items should all be kept in a recyclable bag below their cubby, clearly labeled.

2020 is now underway in 3-4K,
Miss Kathy & Miss Andrea

Reminders

Panera Bread Fundraiser Night

1/13/20 4:00pm - 8:00pm

Purchase food at the Delavan location between the hours above and a portion of the proceeds will go to LLL.

LLL Math Night

1/28/20 from 6:00-7:30pm

Each child may invite one special adult for some fun math games/activities.

Elegant Farmer Fundraiser

Begins 1/31/20

Mighty Minutes

This month we will be adding our "Mighty Minutes" to the daily schedule. During this time, the children will be broken into four different small groups and participate in different activities. The activities will focus on math, reading, language, science and social study skills.

"Mighty Minutes" is a wonderful opportunity for intentional teaching and to evaluate where each child is at developmentally in all the areas of learning.

Thank you for your wonderful response to our Book In A Bag. Your enthusiasm for reading has been truly contagious with your child. Look for new books the week of 1/13/20.
