March Recap

The short month of March the kids got to put together a game of "Court". This activity allowed them to work together as a team and to improve their abilities of communication, as well as, work on developing problem solving skills. They got to explore favorite authors through a variety of books on our reading shelf and made lovely appreciation cards for their hard working teachers.

April News

At this time, as our circumstances have changed and everyone is enjoying time with loved ones. On the chance that schools do not reopen; it is with a heavy heart that I would need to say good bye to our dear families with children who will be moving on to middle school. Some I have had since they were infants, others I have come to care about in the past few years. Nonetheless, I will miss everyone just the same and will treasure our time together forever.

Should you have to complete it from home; I wish all of my families a wonderful and successful rest of the school year. I am disappointed to think of ending our time together at Wrap-Around under these circumstances. But, I am very much looking forward to the fall when I know we will all see each other again!

If I don't see you before, have a great summer.

"Do what you can with what you have where you are"

Theodore Roosevelt

Reminders

Lakeland's Little Learners will be temporarily closed starting March 30th 2020, currently for one month; however, watch for weekly emails with updates to keep you informed on further developments/changes.

When the main center reopens, please come by or call to see if your child has any of their belongings there to be picked-up.

Family Connection

Take advantage of this time with your children to have fun at home! Here are some ideas:

Play board games with your family.

Put on a play with extra old clothes you have around the house for costumes.

Have a movie at home night.

Bring different adventures to life with a storybook.

Have a home spa day.

Start a garden at home.

(The dollar store has a variety of seeds and supplies for a good price.)
