

Lakeland's Little Learners Tibbets Wrap-Around April 2021 Newsletter

I hope you all had a great break!

It is hard to believe we are in the last quarter of the school year. This time of year brings lots of different paperwork, please be on the lookout. Summer registration continues, let me know if you want a contract. Find out more on Lakeland's Little Learners Website!

Registration for the 2021-2022 school year also continues. Wrap-Around spots fill fast, so if you are interested in before or after school care at Tibbets, please contact the center ASAP to see what spots are still available. I also have school year contracts available.

I hope this year is filled with luck as we made our clovers, we spoke about the wishes we would make and why we feel lucky. Ask your child what they would wish for or why they are lucky. In April, we will be planting seeds and looking for signs of spring. Look and listen to the beautiful sights and sounds of spring with your child.

We are looking forward to some warmer weather, as the weather gets nicer we will be spending more time outdoors. Please have your child bring a sweatshirt so they have choices on what to wear based on the temperature. We are starting spring off with a playground clean up.

Tibbets will not have school Friday April 30th, if your child needs care make sure to contact the center, 723-8391.

The main center will be having a Book Fair starting May 3rd. Think about getting some books ahead of time for summer reading.

As always if you have any questions or concerns please let me know. If your child will not be attending the scheduled time please call or text me at (815) 690-8782.

Thanks

Mrs. Sawyer
